# A century of service

As we celebrate the centennial of our ministry in 2020, we reaffirm our Christ-led commitment to compassionately serve and learn from vulnerable people around the world. We continue to answer God's call to provide for basic human needs and work for peace and justice through these five strategic areas of service.

## Our areas of focus

1

Caring for the lives and futures of uprooted and other vulnerable people.

2

Providing water, food and shelter first in times of hunger, disaster and conflict, then education and ways to earn income.

3

Working with churches and communities to prevent violence and promote peace and justice.

4

Investing in opportunities for young people to serve in Canada, the U.S. and around the world.

5

Serving with humility and in partnership to meet local needs with local solutions.
