

Rider assumption of risk and waiver of claims:

I acknowledge that participating in the Mennonite Central Committee's **MCC Flatlander** bicycle ride is a potentially hazardous activity. I will not participate unless I am medically able to do so, am properly trained and have resources to cover medical cost for injuries that may occur. I understand the risks associated with participating in this event, including accidental injury or death resulting from a fall, contact with other riders and contact with traffic along the route. I assume full responsibility for personal injury that may occur during the **MCC Flatlander**, and will pay my own medical expenses in the event of accident, illness or other incapacity. I waive any and all additional notice of the existence of dangerous conditions associated with the **MCC Flatlander** and assume responsibility to exercise my own judgment in evaluating those conditions.

With knowledge of these facts and in consideration of the acceptance of this entry application, I, for myself, my heir and anyone acting in my place or on my behalf, discharge and release Mennonite Central Committee Central States, and their staff, and the members of the MCC Flatlander Planning Committee from any and all claims and actions at law for damages or monetary awards arising out of my participation in the **MCC Flatlander** Bicycle Ride, including injury to my person or property caused by an act or failure to act by the above entities and persons. I will wear a helmet and obey the rules of the road. By signing my name below, I intend to be legally bound by all the terms and conditions of the waiver of claims.

Complete by September 30, 2020

Virtual Ride

Location of your choice

Flatlander routes available

on the BikeReg.com site

Enjoy riding
during the
the beautiful autumn
harvest season of Kansas!

The MCC Flatlander

We take ready access to clean water for granted, but many places in our world do not have that luxury. Each year the MCC Flatlander selects a project to provide clean, sustainable water for a group of people.

Project: Safe water for schools in Nicaragua - Join MCC and Christian Medical Action to construct new wells at five schools and repair existing water and sanitary systems at three additional schools. With these improvements, students will have the safe water they need to drink and wash their hands. Clean water means that children will be sick less often and miss fewer days at school. The wells will also help families who live near the schools, as they can use water from the wells, improving the health of whole communities!

Our goal this year is \$10,000.

Contributions

Riders are encouraged to ask friends, co-workers, etc., for contributions for the Flatlander and/or to make a personal contribution above the registration fee. Contributions can be mailed with this form.

Gift certificates from Bicycle Pedaler for \$100, \$60, and \$40 will be given to the riders or families who raise the three highest amounts in contributions.

Routes

If you'd like to ride one of the planned routes, check out the registration site at Bikereg.com.

Or pick a route of your own in your favorite place to ride.

Registration

The MCC Flatlander ride will be virtual this year so registration is open for the month of September.
