A BENEFIT RIDE FOR MENNONITE CENTRAL COMMITTEE

Saturday, September 17, 2022
MCC Center, Highway 15 & 30th St.
North Newton, Kansas 67117
Registration 7:00 AM
Ride Begins 8:00 AM

We take ready access to clean water for granted, but many places in our world do not have that luxury. Each year the MCC Flatlander selects a project to provide clean, sustainable water for a group of people.

This year we are supporting a major MCC initiative to raise \$100,000 for drilling and maintaining wells in villages in Mozambique and bringing piped tap water directly into homes in Nepal— dramatically reducing the amount of time it takes to get drinkable water. Women and girls spend hours searching for water for their families — a task that keeps young girls out of school and women out of work. Without clean water, children get sick from diseases like cholera. Crops wither and livestock die. Our goal is to raise \$10,000 to contribute to this huge initiative.
