

MCC GREAT LAKES COMFORTER BASH

OCTOBER 23-24, 2015

Join us for an MCC GL Comforter Bash in Goshen!

Inspired by a similar event held each year in Kansas where they made 150+ comforters for Mennonite Central Committee (MCC), we are gathering for the first one in northern Indiana/southern Michigan. A handmade comforter provides not only warmth but also a tangible message to people that their needs are not forgotten. The comforters will be distributed by MCC around the world.

LOCATION: Pleasant View Mennonite Church
58529 County Road 23
Goshen, IN 46528

Items needed:

1. **Comforter tops and backs:** Preferred size: **Twin - 60" x 80"**. Full size - 82" x 90" are also accepted. We have tops ready but we can use additional tops; as well as fabric for backs, at least 4" larger than tops on all sides.
2. **Donations for batting:** We will purchase rolls of batting and will accept donations to cover this expense.
3. **Knotting thread and supplies:** #10 knit-crochet thread in colors other than white/cream. It is also helpful if you can bring large-eyed needles for knotting, scissors and thimbles. Please label everything you bring.

Thank you for your help!
