

# MCC United Nations Office

## Half-Day Learning Tour

Visit Mennonite Central Committee's New York Office, the voice at the United Nations of MCC and our program and partners around the world.

Through this half-day experience, we hope to expand your understanding of advocacy. We will guide your group through a discussion of the work of our office, how MCC's grassroots programs and partners inform our advocacy efforts, and how we incorporate Anabaptist values to engage the UN community on the issues of justice and peace.

Potential areas of focus include: Palestine and Israel, Syria, North Korea, Haiti, migration, the Sustainable Development Goals, and the nonviolent and just resolution of conflicts.
