

## IMMIGRATION DETAINEE CARE KITS

When people who have been placed in immigration detention centers are released, they sometimes have nothing more than the clothes on their backs. Kits containing clothing and hygiene products can help them to rebuild their dignity as they transition into life outside the detention center.

*MCC is partnering with the South Texas Response Team, a group of local pastors working with various local partners to distribute kits to people as they leave detention and are taken to bus stations or airports to reconnect with their families.*
