Donating *school kits* Equipping students to learn

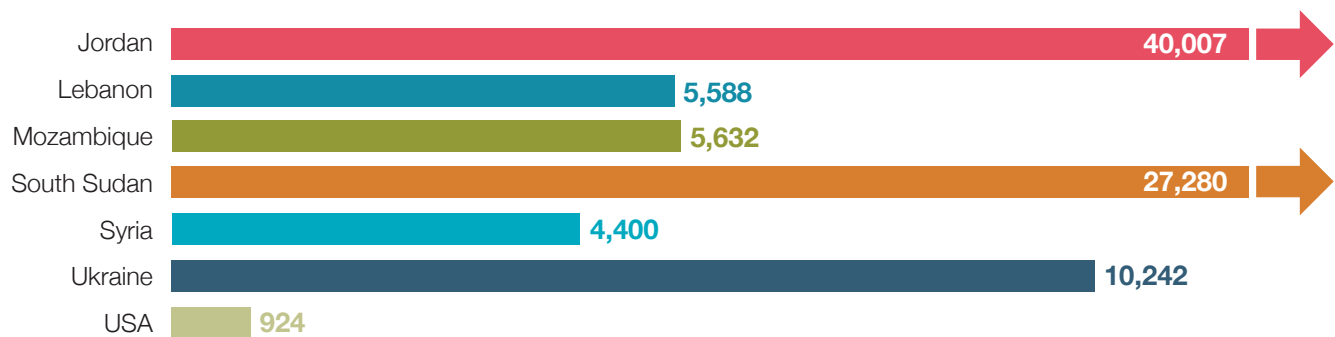

THANK YOU for your gift of school kits to children around the world. Notebooks and pencils are treasures for families who struggle to afford basic school supplies.

A brother and sister* from Sweida, Syria, open the school kits they received in February 2020 from MCC partner Fellowship of Middle East Evangelical Churches. School kits are part of MCC shipments of relief supplies distributed in Syria. Most items go to internally displaced people and vulnerable host communities in Aleppo, Homs and rural Damascus.
